PRERECORDED SHOWS

ASL & Songs – Sing and Sign with Your Hands –

In this prerecorded performance, Georgia Frawley offers a hands-on program, for all ages, featuring American Sign Language, ASL, with new and traditional children's songs. This playful and interactive program will have your audience signing lots of words to very fun songs. Songs featured can be revisited and learned after the program at the [We Play Along YouTube Channel](#).

ADDITIONAL SHOWS:

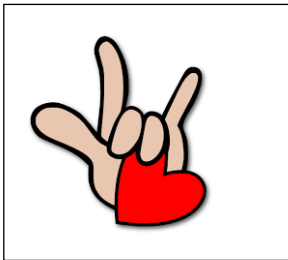

ASL Sign and Sing Baby and Toddler Songs

Georgia presents a Baby and Toddler Mommy and Me program that teaches parents and caregivers the top baby and toddler signs to use for communication and silent behavior control which have come from her over 30 years of lecturing to parent, teacher, and early childhood professionals around the country as well as her years of teaching child development high school classes. All the songs and rhymes presented are age specific for use with babies and toddlers and reinforce many key words and concepts. Watch many of the baby and toddler songs on her [We Play Along YouTube Channel](#) and choose the Baby and Toddler play lists.

Preschool Singing and Signing Fun with ASL

Georgia shares songs that engage preschool children with the movement of American Sign Language, ASL. Signs featured in the songs presented include signs for communication, language enhancement, vocabulary development, core educational concepts (ABC's, numbers, colors, rhymes, animals, and more), and for phonemic awareness. Songs featured can be revisited and learned after the program at the [We Play Along YouTube Channel](#).

ASL & Songs – Sing and Sign with Your Hands –

Georgia Frawley offers a hands-on program, for all ages, featuring American Sign Language, ASL, with new and traditional children's songs. This playful and interactive program will have your audience signing lots of words to very fun songs as well as “dreaming up” new verses to sign in adaptable songs. With literally hundreds of songs in her repertoire, Georgia will adapt and adjust every program to meet the age range and ability of her audience. Songs featured can be revisited and learned after the program at the [We Play Along YouTube Channel](#).

Play-Along Songs – Action and ASL Songs for Fun and Learning

Georgia Frawley's move-along and sign-along show, for all ages, features new and traditional songs that all use movement (fingerplays and/or whole-body movement – depending on the space) or American Sign Language, ASL, for fun and learning. This is a fun, playful, and interactive program that will have your audience singing, signing and moving as well as “dreaming up” new verses to add to her very adaptable songs. Songs featured can be revisited and learned after the program at the [We Play Along YouTube Channel](#).
